INTERNATIONAL MINISTRY TRIPS

JOIN US FOR A LIFE-CHANGING TRIP

GLOBALAWAKENING.COM/TRIPS

For over 20 years, Global Awakening has been taking teams from around the world on international ministry trips. If you've been on one of our trips or have spoken with someone who has gone with us, you've probably heard testimonies of the amazing things God has done: blind eyes opening, wheelchairs being discarded, hearing being restored, cancer vanishing, and wounded hearts being set free by the power of God's love. The list of God's miracles goes on and on. These

stories create a desire to see miracles and to be used by God. Don't sit by passively, but take part in what God is doing. After going on a trip with us, most people say:

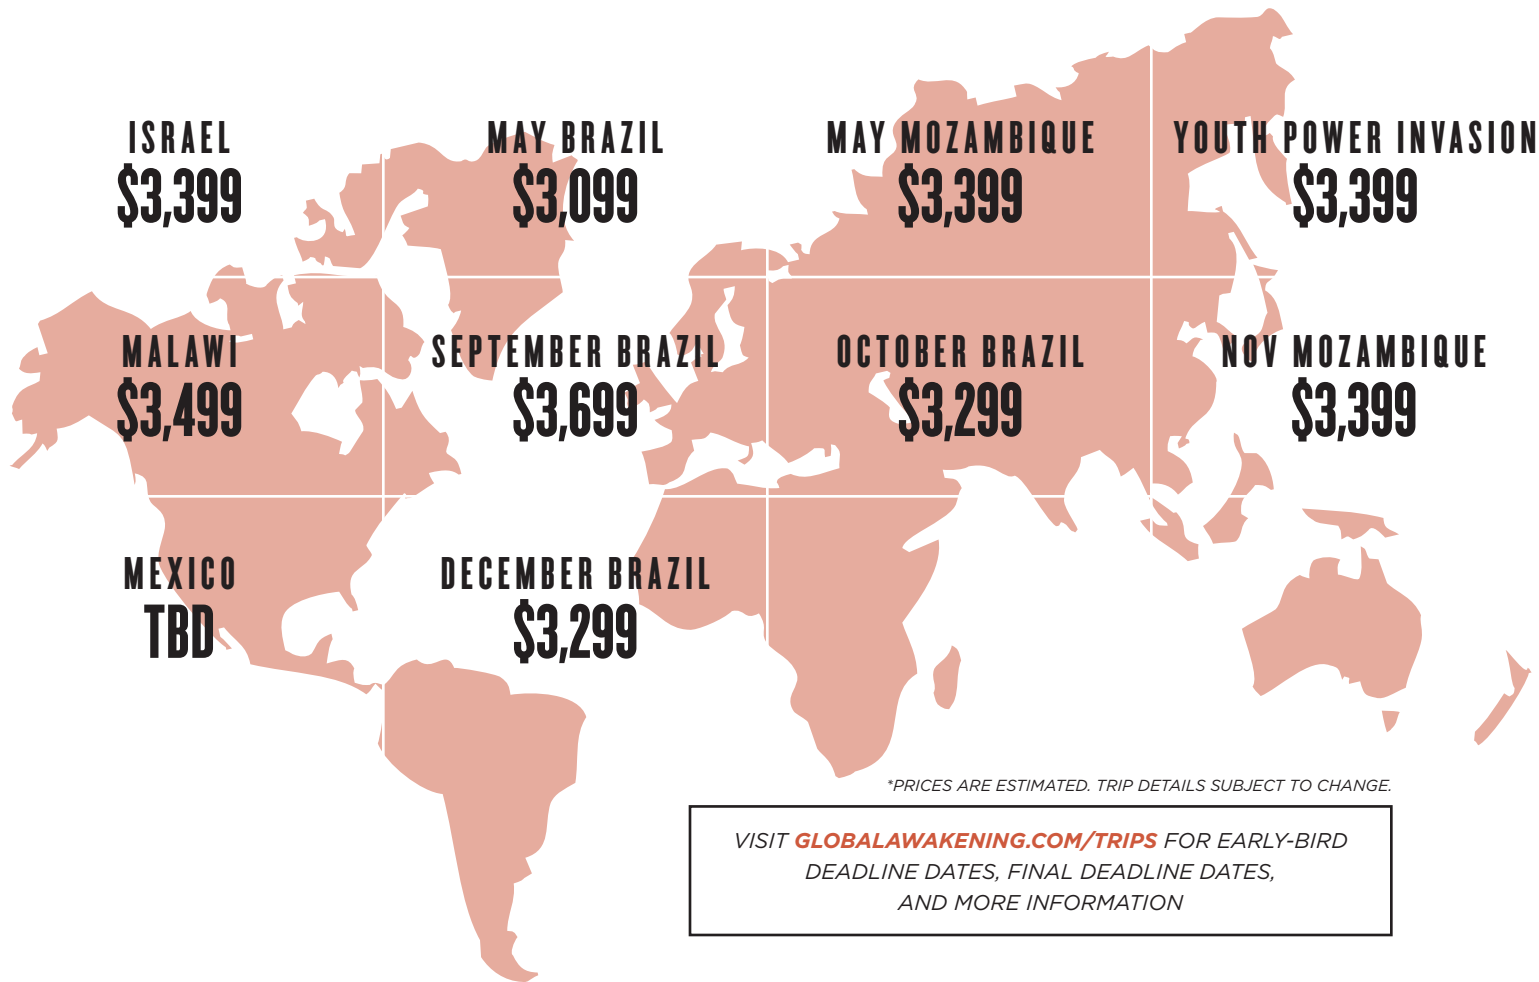

"I went to bless others, but received more than I ever thought possible. That trip changed my life! I will never be the same!"
